ICD-10 Coding Revised Covered Mental Health, Substance Abuse and Poisoning Diagnosis List

DECEMBER 11, 2018

Medicaid has updated the ICD 10 Covered Diagnosis Codes lists for all services in accordance with COMAR 10.09.70.02. We have revised the list to include the termination date and or effective Date of deleted and new covered codes. We have also added a Revision date to the lists to ensure that each provider is using the appropriate covered codes. Please review your claims practices and update as necessary

The current lists can be found at:
