

PROVIDER ALERT

**ADOS-2 Clinical Workshop: May 14,
2024, and May 15, 2024**

March 7, 2024

Target Audience: Providers Assessing for Autism Spectrum Disorder

3/11/24: Due to a significant response, registration for the ADOS-2 clinical workshop for May 14, 2024 and May 15, 2024 is now closed.

Thank you for your interest and response.

Dr. Alexandra De George, M.Ed., Psy.D. Clinical Psychologist, will be conducting a two-day virtual clinical workshop for up to 20 providers, on conducting Autism Diagnostic Observation Schedule (ADOS) assessments. The ADOS-2 is the leading tool to accurately assess and diagnose autism spectrum disorders across age, developmental level and language skills. With her experience and knowledge, Dr. De George has previously conducted this workshop for providers.

This virtual clinical workshop will take place on:

- Tuesday, May 14, 2024, at 9:00 a.m., EDT - 5:00 p.m., EDT, and;
- Wednesday, May 15, 2024, 9:00 a.m., EDT - 5:00 p.m., EDT.
 - Attendees must attend the **full two-day course** for certification.

This virtual clinical workshop is offered free-of-charge and providers are encouraged to take advantage of this opportunity. **Attendance is limited to a maximum of 20 providers** on a first come, first served basis.

The deadline for registration is May 3, 2024. Providers interested in becoming certified to administer the ADOS assessment are encouraged to register as soon as possible, using the form below.

This clinical workshop may be especially beneficial for:

- Pediatricians
- Developmental Pediatricians
- Pediatric Neurologists
- Child Psychiatrists
- Clinical Psychologists

- Nurse Practitioners
- Neuropsychologists
- Other interested provider types

To register, please complete the form below, and linked [here](#) (linked form will download as a Word document). Return the completed form to gwendolen_ford1@optum.com.

Following your registration, you will receive an email containing a link to join the virtual workshop.

Thank you,

Optum Maryland Team

**Please note: This clinical workshop is limited to 20 participants.
Reservations are needed and supplied on a first come, first served
basis.**

**Registration deadline is May 3, 2024. Attendees must attend both days
in full to receive certification.**
